OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 8 August 1962

1. (Internal Use Only - JGO) In response to a letter request from Representative Robert N.C. Nix, met with Miss Sledd concerning

"who is still interested in being reemployed." Advised Miss Sledd that [redacted] work performance, combined with her testing scores, leave record and debt record was such that the Agency would not re-hire her. Were another Agency to request advice from us, however, concerning possible employment with them, our reference would be that [redacted] had resigned without prejudice for personal reasons. Miss Sledd stated the Congressman's appreciation for our call and said she felt this would satisfy his request.

4. (Internal Use Only - JGO) Advised John Buckley, in the office of Representative Dante B. Fascell, that our people had no information regarding [redacted] other than the fact that several lines were being investigated due to accidents but that no violations had been filed. Mr. Buckley agreed that it might be well to hold any further inquiries [redacted] until such time as violations might be filed and to determine what action, if any, should be taken.

Advised Buckley that our people had interviewed [redacted] but that we probably will be unable to locate a spot for him. Buckley indicated [redacted] had received that impression from our interviewer and thanked us for our assistance.

5. (Internal Use Only -JGO) Met briefly with Mrs. Bess E. Dick, Staff Director, House Judiciary Committee, concerning Agency tort claim reports to the Congress. Mrs. Dick advised that these reports are required by law and that they become a permanent record of the Committee. In her judgement, such reports will be required for the foreseeable future. Even if desirable, no exception could be made by the Committee.
